Comprehensive Chain 50+ years & 4 Generations of PEER Support

Our Grandpa Nate launched PEER Chain on July 9, 1969 as a separate entity from his bearing company. Nate, a well-known local card player, said it was like giving his sons a seat at the table. He always stressed the importance of keeping the cards close to one's chest. When it came to chain, his advice was simple:

1. Offer the best chain solutions;
2. Have an exhaustive range of products on-hand;
3. Respect the fact that customers hold the best cards in the deck.

His legacy lives on and our most compelling success metric, hands-down, is you, our customer. Today, we only gamble during charity events but never risk the values and 50+ years of relationship-building that separate us from the competition.

Danny and Glenn Spungen

2nd Touch Fabrication & Inventory at the Ready

Undoubtedly the Spungens' largest investment is in PEER Chain's Fulfillment Center. Our \$20MM inventory is manufactured in some of the world's most advanced automated facilities, all ISO 9001:2015 certified. We make shorter lead times a reality with our expansive inventory and in-house assembly capabilities. PEER Chain stays ahead of the curve in our dynamic marketplace by always striving for order accuracy, warehouse accuracy, on-time performance and customer satisfaction. It's more than a commitment. It's our Passion.
