

PEER Perfectly Pairs!

Cotton Module Chain Solutions To Keep You Running

Distributed By:

Round Bale Cotton Module Chain

C2062HR Chain with CMA™ Style Attachment

PEER Chain Advantages

- Excellent choice for handling Round Cotton Bales
- PEER's Patented Cotton Module Chain is designed for optimum performance in harsh environments from the field to the cotton gin
- All chain components are heat-treated to achieve maximum strength and greater wear resistance
- Hot-dipped lubrication ensures 100% lubrication of all chain components to extend wear life and reduce maintenance costs

Square Bale Cotton Module Chain

C2062HR Chain with SCB Style Attachment

PEER Chain Advantages

- Excellent choice for handling Square Cotton Bales
- Proven chain performance in harsh environments from the field to the cotton gin
- All chain components are heat-treated to achieve maximum strength and greater wear resistance
- Hot-dipped lubrication ensures 100% lubrication of all chain components to extend wear life and reduce maintenance costs

Dan Troxell,
Warehouse & Fulfillment
Center Manager

For a retired Marine like Dan (Trox to his friends), "quit" is not a part of his vocabulary! He works tirelessly with his team to ensure every shipment leaves his warehouse on time and up to our customers' expectations.

Kevin Shrout,
National Sales
Manager

Like a master chef, Kevin identifies the strengths of those around him and then works to coax those qualities to success. With more than 30 years of experience in distribution, it has proven a winning recipe!

Nety Park,
Technical Product
Manager

As a detail-oriented, team player, Nety finds happiness in helping others to solve problems. Like a superhero in one of her favorite movies, managing your most complex projects is something she enjoys doing every day!

Art Merwitz,
Director
Sprocket Division

There's only one way to describe Art — a true die-hard! Whether his beloved Cubs or Sprockets, his passion is palpable. You can be sure that when you need a sprocket, Art is your guy to ensure it is perfectly paired!

Eric Ma,
Manager of Engineering
& Quality

A more befitting title could not be given to Eric, unless it also included something about his strength of character. Engineering and quality is what Eric lives, breathes, and embodies day in and day out.

Jeremy Fogo,
Vice President of
Product, Solutions &
Experiences

A consummate people person, Jeremy finds the work he does with PEER customers incredibly rewarding. Being able to solve challenges for PEER customers is something that gets Jeremy out of bed each morning.

Chuck Briere,
Vice President of
Strategic Alliances

What do you say about a guy who has been in the power transmission business for over 40 years? Chuck loves selling chain. Why? Because chain is a technical product, and he enjoys the mechanics and science of it.

Drew Beadle,
Product Manager

Drew grew up as a sponge surrounded by industrial and farm equipment. His quest to absorb technical and practical knowledge created an expertise in analyzing and creating quality customer solutions for all stakeholders.
